**Subject:** TESTIMONY RAISED BILL 1142 SECTION 4 & 5 OPPOSED

My name is Margaret Warren and I reside at 426 Barber Hill Road, South Windsor, CT.

I STRONGLY oppose Bill 1142, Section 4 & 5. I find it irresponsible on the state's part to cause harm to thousands of its citizens by taking away tools we need to defend the educational rights of our children with special needs. PLEASE do not forget that you work for us and we rely on you to ethically meet our needs.

Sincerely,  
Margaret Warren
